Achievement Academy purchased 16 acres in south Lakeland

(Lakeland, FL – September 14, 2007) The Achievement Academy has recently purchased 16 acres of beautiful property located on 540A in south Lakeland. It is located across from George Jenkins High School stadium and is adjacent to what will become a county park. As the community's needs are growing, the Board of the Achievement Academy has identified the need to expand for future growth. This is a long range plan for the future of the Achievement Academy where we can eventually build a beautiful school that will not only meet and exceed the needs of our current students, but will also provide opportunities for future students and their families.

The Achievement Academy, formerly The Child Development Center of Polk County, Inc., is a Charter School committed to meeting the needs of children with developmental delays/disabilities. The Achievement Academy assists children and their families through education, support, resources and advocacy at each of its three locations - Lakeland, Bartow and Winter Haven.
