Achievement Academy receives grant from the Glazer Family Foundation

(Lakeland, FL – August 6, 2007) The Achievement Academy was among six organizations in the Tampa Bay area to receive a grant from the Glazer Family Foundation. Coach Jon Gruden, along with Executive Vice President Bryan Glazer presented a check for \$3,500 and a plaque to Stephanie Narramore, a Pre-K ESE teacher at the Lakeland Achievement Academy. Stephanie not only is a teacher at the Academy but also receives its services for her daughter, Katie. Katie was born with birth complications and is enrolled in the Achievement Academy's Birth to Three Program.

This program is funded by United Way of Central Florida and is free to families with children at risk for developmental delays. Through home-based early intervention services, playgroups and outreach programs, the Achievement Academy strives to help children reach developmental milestones while placing emphasis on parental participation.

The Achievement Academy is a Charter School providing education and therapy services to children with developmental delays/disabilities in Polk County.
