## **Achievement Academy Serves the 32<sup>nd</sup> Annual Pro-Am Tennis Tournament to the Junior League of Greater Lakeland**

LAKELAND, FL (May 10, 2010)-The Pro-Am Tennis Tournament has been a fixture in the history of the Achievement Academy and the source of funds to help the families of the Achievement Academy. In keeping with our mission and our historic perspective, the Achievement Academy's Board of Directors has decided to hand over the Pro-Am Tennis Tournament to the Junior League of Greater Lakeland to run as a fundraiser for their organization so that we may focus our fundraising efforts on our other annual events. The Junior League is a volunteer organization that focuses on enhancing child welfare and education in the greater Lakeland area by promoting the basic skills necessary for school readiness and family literacy which is in keeping with the mission of our organization. The Junior League, formerly known as the Junior Welfare League of Lakeland was instrumental in the inception of the United Cerebral Palsy, now Achievement Academy and has agreed to

donate a percentage of the proceeds of the tournament back to Achievement Academy.

We would like to thank the community for your participation and support of this fundraiser and we ask for your continued support of the Achievement Academy and this tournament through the Junior League of Greater Lakeland.

The Achievement Academy is a Pre-Kindergarten Charter School providing education and therapy services to children with developmental delays/disabilities in Polk County. The Achievement Academy assists children through age six and their families through education, support, resources and advocacy at each of its three locations - Lakeland, Bartow and Winter Haven.
