Achievement Academy Meets a Challenge

LAKELAND, FL (November 17, 2010) The Achievement Academy received a challenge by an anonymous donor to raise \$125,000. If we succeeded within a 60 day time period, they agreed to match with an additional \$125,000. We are excited to announce we met the challenge in 28 days! The funds raised will be used for the “Where Brighter Futures Begin” Capital Campaign. This campaign will enable the Achievement Academy to secure a larger facility to serve the health of more children in our community.

The Achievement Academy is a Pre-Kindergarten Charter School providing education and therapy services to children with developmental delays/disabilities in Polk County. The Achievement Academy assists children through age six and their families through education, support, resources and advocacy at each of its three locations - Lakeland, Bartow and Winter Haven.
