Day of Caring at Achievement Academy

LAKELAND, FL (December 14, 2010) The Achievement Academy's playground received a facelift on Friday, December 10th by some amazing Christmas elves. Mosaic Employees-(Kerri Anderson, Joe Bennett, Joseph Bryant, David Calhoun, Ramino Castillo, Fred Carter, Terry Childs, Quinton Griffin, James Leverett, Brian Lott, Robin Sirmons, Rick Tillis, Terry Tribble and Mike Waters), Superior Coating Employees-(Felix Bennett, Bob Porterfield and Tony Walters) and United Way of Central Florida's Christina Smith worked non-stop until a worn out playground came back to life with new mulch, paint and sod. The children's eyes sparkled at the sight and could not wait to play on every part of the playground. We have such a caring community!

The Achievement Academy is a Pre-Kindergarten Charter School providing education and therapy services to children with developmental delays/disabilities in Polk County. The Achievement Academy assists children through age six and their families through education, support, resources and advocacy at each of its three locations - Lakeland, Bartow and Winter Haven.
