Achievement Academy to hold Big CUP Golf Tournament

A Little Help Makes a Big Difference!

LAKELAND, FL (September 21, 2016) - Achievement Academy is excited to announce the Big CUP Golf Tournament to be held on Monday, November 14, 2016, at Lone Palm Golf Club, 800 Lone Palm Drive in Lakeland. Registration and lunch begin at 12:00 p.m. with a shotgun start at 1:00 p.m. Banquet and awards following play. Presenting sponsors are Day & Night Tire Remanufacturing and J. Burns' Pizza.

This year's tournament offers an 8-inch cup instead of regulation size. We all know that *a little help makes a big difference*. With a little help from you through tournament play or sponsorship, you too can make a big difference in the life of a child with special needs.

Levels of sponsorship range from \$5,000 to \$100. The price for a Foursome is \$800, which includes lunch and banquet dinner. For information on sponsorship opportunities and / or player registration, please contact Stacy Williams, 863-683-6504 x136 or visit our website at AchievementAcademy.com.

*The Achievement Academy serves children from birth through age five with various developmental delays and disabilities. The Achievement Academy offers two programs, each provided at no cost to the child or family. The first program is a **Charter School** that offers specialized instruction by certified teachers; small class sizes; individual speech, occupational and physical therapies; and assistive technologies that enable each student to reach his or her full potential at one of the Achievement Academy's three campus locations (Lakeland, Winter Haven and Bartow). The second is a **"Birth to Three Program"** that provides early intervention services to infants and toddlers who are "at-risk" for developmental delays and/or have been identified with a specific delay. Professional Early Interventionists serve these children and their families. More than half of the Birth to Three Program's budget is funded by a generous allocation from the United Way of Central Florida.*
