mission.

**Assist children with special needs to reach their maximum potential
by providing quality education, therapy and family support.**

Achievement Academy has served individuals with developmental delays and disabilities for more than 60 years. We currently serve children from birth through age five with comprehensive programs and services. Opening in 1955 as United Cerebral Palsy, Achievement Academy has expanded over the years to include children with any type of developmental delay or disability.

There are two programs that fall under Achievement Academy — The Birth to Three program and the Charter School. Both programs are offered at no charge to the children and their families.

The **Birth to Three Program** provides early intervention services to 180 infants and toddlers throughout Polk County each month who are "at-risk" for developmental delays and/or have been identified with a specific delay. Professional Early Interventionists from Achievement Academy serve these children and their families by offering:

- *One-on-one sessions in child's home
- *Parent support
- *Toys and books to enhance child's learning
- *Developmental evaluations

The **Charter School** has a total of 157 students, age 18 months through age five, with three campus locations: Lakeland, Winter Haven and Bartow. To enable each student to reach his or her full potential, each facility offers:

- *Specialized instruction by certified ESE teachers
- *Small class sizes
- *Individual speech, occupational and physical therapies
- *Assistive technologies
- *Parent support
- *Contracted vision and hearing services

Achievement Academy's 5th Annual "Top Chef of Polk County"

February 25, 2019 * 6pm-9pm / RP Funding Center

Join us for a night of delicious food and fellowship, while raising much needed funds for children with special needs.

Guests will enjoy a cash bar, silent and live auctions, music and of course, a tasting of signature dishes from Polk County's leading chefs. As many as 12 chefs will create and prepare their signature dish (tapas style) accompanied with a wine or libation that complements the flavors of the dish. All guests will have the opportunity to try all of the chef's signature dishes.

Guests will judge each chef on their creation to award the title of "Top Chef of Polk County 2019." In addition, guests will rate each dining station to award the "Top Table Décor." The chef who raises the most funds for Achievement Academy through their donated auction item/s and online voting will earn the "Top Philanthropic Chef" award.
