Achievement Academy to hold Fourth Annual Top Chef of Polk County event

LAKELAND, FL (March 1, 2018) Achievement Academy's Fourth Annual Top Chef of Polk County event will take place on Monday, May 7, 2018 at the RP Funding Center.

The format has changed this year. There will be a tasting of signature dishes from Polk County's leading chefs while raising much needed funds for children with special needs.

As many as 12 chefs will create and prepare their signature dish (tapas style) accompanied with a wine or libation that complements the flavors of the dish. All guests will have the opportunity to try all of the chefs' signature dishes.

Guests will judge each chef on their creation to award the title of "Top Chef of Polk County 2018". In addition, guests will rate each dining station to award the "Top Table Décor". The chef who raises the most funds for Achievement Academy through their donated auction item/s and online voting will earn the "Top Philanthropic Chef" award.

The Achievement Academy has only one chef opportunity still available. We are proud to announce the chefs who have already confirmed their participation in this year's event:

Chef Ryan Carmody, Cob & Pen

Chef Jeff Conley, Publix Aprons Cooking School

*The Achievement Academy serves children from birth through age five with various developmental delays and disabilities. The Achievement Academy offers two programs, each provided at no cost to the child or family. The first program is a **Charter School** that offers specialized instruction by certified teachers; small class sizes; individual speech, occupational and physical therapies; and assistive technologies that enable each student to reach his or her full potential at one of the Achievement Academy's three campus locations (Lakeland, Winter Haven and Bartow). The second is a "**Birth to Three Program**" that provides early intervention services to infants and toddlers who are "at-risk" for developmental delays and/or have been identified with a specific delay. Professional Early Interventionists serve these children and their families. More than half of the Birth to Three Program's budget is funded by a generous allocation from the United Way of Central Florida.*
