Support team
Peyton & Charlie
for this year's Top Philanthropic Community
Leader Competition!

Since 1955, Achievement Academy has been more than just a place for children with special needs—it's been a lifeline, a beacon of hope, and a testament to the unwavering love and dedication of families in Polk County.

Together, we can create a future where every child has the chance to succeed, to thrive, and to be seen for the incredible individuals they are. Please, join us in changing a child's life today—because every child deserves the opportunity to shine.
